

Wednesday 7<sup>th</sup> March 2018

Dear Parents/Carers,

**Wreake Valley Academy Girls Football Tournament**  
**Summer Term 2018**

Redlands have been offered a great opportunity to be put forward for a girls football team, to take part in a football tournament during the summer term. The tournament will take place at Wreake Valley Academy (postcode LE7 1LY), across 6 weeks of the summer term 2018. The teams will be comprised of girls from years 4,5 and 6.

**Your daughter has expressed an interest in being part of the Redlands Girls team and we feel that this will be a fantastic experience for everyone involved.**

As the fixture will take place after school, we will need parents to support in transporting the children to the tournament. A member of staff will be present, however parents are more than welcome to watch should they wish to. Children will need to be collected from the tournament by a responsible adult (to be confirmed nearer the time).

To ensure that we can commit to the tournament and arrange transport for the team, please complete and return the below form; this outlines the dates of each fixture, whether or not your child is able to attend and whether you are able to transport your child and others (if required).

Once we know that we can commit to the tournament, we will advise parents and confirmation and further details will be sent out nearer to each fixture.

Thank you for your continued support.

Mr Simpson  
P.E. Coordinator and Class
