**Redlands Sponsored Spell**  
**Macmillan Nurses**

Dear Parents and Carers,

We would like to say a huge thank you for your support and the dedication of your children in learning their spellings to support Macmillan Nurses. As was stressed at the time, all we asked was for the children to do their best- which from speaking with teachers we are sure they have done.

The children have completed their spellings over the week and we can now share with you the number of correct spellings your child achieved to enable the children to collect their sponsor money or donations.

**Name.....Number of correct spellings: .....**

Please could we ask that the money be returned to school with the sponsor form to allow Macmillan to claim tax relief by Monday 6<sup>th</sup> November. This date has been extended to allow time to collect all monies.

We will be presenting Macmillan with the money during the week of 6<sup>th</sup> November.
