

Friday 27th April, 2018

Dear Parents/ Carers,

Year 6 SATs Week Arrangement

We're sure that you are all aware that SATs week is fast approaching! We are so proud of the children for working very hard to revise in preparation for the tests.

SATs week is the week commencing 14th May and in the past school has provided a breakfast club for the Year 6 children. However, after the success of our mock SATs week, we feel that keeping the routines as normal as possible will be more beneficial to the children and their performance. Instead, we will be providing the children with drinks and a snack after each test, to give them time to unwind and relax. Also, to enable the children to perform to the best of their ability during this week, could we request that they get to bed early throughout the week and have a healthy breakfast each morning.

Below is the timetable for SATs week:

Day	Morning
Monday 14th May	Grammar, Punctuation and Spelling Paper
Tuesday 15th May	Reading Paper
Wednesday 16th May	Maths Arithmetic Paper and Reasoning Paper
Thursday 17th May	Maths Reasoning Paper
Friday 18th May	No tests today

On Friday, there are no SATs tests. In the afternoon, we will be having our SATs party to celebrate all the hard work the children have done this year. We will ask the children to think of a plate of food they would like to bring with them for the afternoon, to share with the rest of the year group (no nut products please).

Thank you for your continued support,

Mrs Lamble and Miss Riley
Year 6 Class Teachers
