

9th February 2018

Dear Parents / Carers

Year 6 Assessment Information Meeting

On **Tuesday 27th February**, we will be holding an information meeting to give you important information about your child's assessments this year.

During the meeting, we will be sharing with you the end of year expectations for children in year 6. We will be talking about the arrangements for the end of year assessment week and discussing how your child is going to be assessed this year. We will discuss how we are preparing children for these assessments and what you can do at home to help. There will also be some information about how the results of these assessments will be reported to you as parents.

This is an important meeting and we would like as many parents to attend as possible. The assessment and reporting system changed a couple of years ago so will be different for parents who have had children in year 6 previously.

To help accommodate as many parents as possible at the times, which will be most convenient to you, we have decided to hold the meeting at 5:00pm. It will last around 45 minutes.

Thank you for your continued support.
