

15th November 2019

Redlands Proudly recognises and supports Anti-bullying Week Focusing on:

At Redlands we pride ourselves on ensuring that the pupils learn in a supportive, caring and safe environment without fear of being bullied. We actively encourage the children to respect each other and the wider community and this is built into our Redlands R's through Respect.

This year, Anti-Bullying week fell on the same week as Remembrance Day and Children in Need; therefore, we felt it important that the children had the opportunity to recognise and understand the importance of these events in line with the British Values. As a result, Redlands have chosen to recognise Anti-Bullying week next week, utilising this year's theme of 'Change Starts with Us'. Through this theme, we will teach the children that they play an vital role in positively affecting change in school and the wider community.

Redlands will be showing our support for this campaign on **Wednesday 20th November** by wearing odd socks. Children should wear their normal school uniform; but for one day only, they can go wild and wear odd socks in different colours or patterns to support and show respect for the 'Change Starts with Us' campaign. As the weather is getting colder, we recognise that girls may want to wear tights and although we still ask that tights remain black, we are more than happy for odd socks to be worn over the top.

We hope the children will be excited to join us as we raise awareness for such a worthy campaign and we thank you for supporting our children to build their RESPECT for themselves, each other and the wider community.

Kind Regards

Mrs Michelle Tobin
Headteacher
