

September 19th 2018

Dear Parents/Carers,

EYFS & Year 1
Phonics 2018

Here at Redlands we recognise the importance of good spelling and believe it to be a fundamental part of your child's literacy development. With this in mind, Redlands are committed to making phonics a main focus for this academic year.

A phonics sheet will be given to your child on a Monday with the sound that they have been learning in their daily phonics sessions. This sheet will include a range of words that include the phoneme that they have been learning and we encourage all parents to support their children in practicing these sounds throughout the week.

Phonics skills build the foundation of your child's spelling and reading abilities and are imperative in supporting your child as they progress through their individual learning journey at Redlands; we hope that you will support and encourage your child with regular reading and phonics practice at home.

We would like to thank you for your continued support in helping your child to reach their full potential and be the best they can be.

Kind Regards

Miss Abbie Hunt
Phonics Lead
