

Thursday 12<sup>th</sup> July, 2018

Dear Parents/Carers,

**End of Year Letter 2018**

As the school year has come to an end, we find ourselves looking back at the fantastic year we have had here at Redlands. We are so very proud of the way that the children have embraced the introduction of the Redlands R's and we are overwhelmed at the positive way in which the children display these behaviours throughout the school day. We understand this year has brought a lot of change to Redlands; however, we know that these changes will put Redlands in a fantastic position to continue our journey to improve and work together in aiming for excellence.

We would like to take this opportunity to thank the children for the fantastic way in which they embraced the transition process. We recognise that transition can be daunting for some children and we were so proud to see the children's resilience during the two days and their continued display of the Redlands R's. These days were a great success and we believe that this will help to provide a smooth handover to their new settings come August.

We hope that you found the 'Meet the Teacher' session at the end of the first transition day helpful in introducing you to your child's new class teacher. There will be an opportunity to attend an 'Open Evening' in the new academic year, to hear all about the learning and expectations of their new year. We will confirm dates at the start of the new term.

As your child moves into their new classroom, we would like to confirm the arrangements for drop off and collection of your child at the start and end of the school day. To support you in identifying these areas for your child's classroom, we have attached a map of the school grounds, clearly labelled with classrooms and collection/drop off points.

Please be reminded that the main access point to school for dropping off and collecting your children safely is via the main gate near to the post box, which is open between **8:40am and 9am** and reopened for pick up at **3.10pm until 4.30pm**. Parents should park **off-site** when dropping off and collecting their child, whether this be at morning drop off, breakfast club or aftercare. We appreciate that the end of the day is a very busy period and there are a lot of people within the school grounds, but as you will appreciate, we must consider the safety of the children at all times. Please also be mindful of the school's neighbours when you park, as links with our local community is an integral part of our school.

We would like to take this opportunity to wish our Year 6 children all the best for their futures, as they make their transition to secondary school. They have done fantastically well in their KS2 SATs and we are sure they will continue to display the amazing skills and behaviours they have developed whilst at Redlands.

The first day back to school is Wednesday 29<sup>th</sup> August and we cannot wait to hear all about the adventures the children have got up to over the summer holiday. Should you require childcare this summer, please do not forget about the Summer Club that will be running between **Monday 30<sup>th</sup> July and Friday 17<sup>th</sup> August**. If you have not already booked, the Holiday Club will be available from 9am-5pm and will be charged at £20 a day per child. Children should be dropped off and collected via the red door at the back of the staff carpark (please see attached map) and **payment in cash will be required on arrival.**

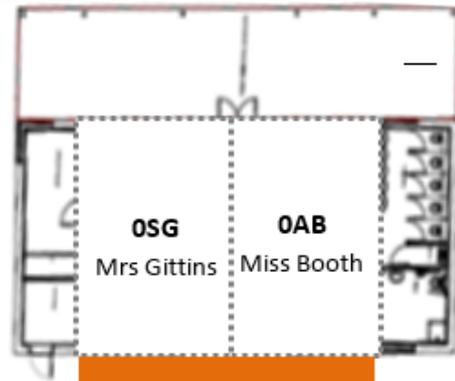

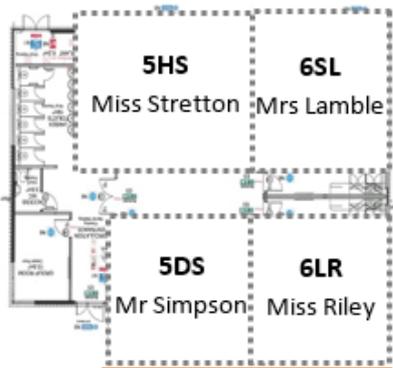

Finally, we would like to wish you all a fantastic summer holiday and a well-deserved rest.

Regards and best wishes,

Mrs Michelle Tobin  
Headteacher
