

Thursday 16th May 2019

Dear Parent/Carer,

We would like to **congratulate** our Year 6 pupils on completing their SATs this week. We cannot express enough; the pride we feel for the way that the children behaved during this week. It has been so positive to see the children embracing the Redlands R's, even at a time where they may have also been feeling anxious towards the SATs tests.

We recognise that with the SATs tests completed, the children's minds will no doubt turn towards their upcoming transition to secondary school and we would like to assure you that Redlands will continue to support the children in ensuring that they feel prepared for transition in the best way possible. We are aware that the children will be attending transition days at the beginning of July, to further support them in the transition process; however, should you have any concerns please do not hesitate to speak to your child's class teacher.

On Friday 17th May, there are no SATs tests. Between 11am and 12pm, we will be having our SATs party to celebrate all the hard work and perseverance children have demonstrated this year. We will ask the children to bring a small amount of food which they would like to bring with them for this celebration to share with the rest of the year group.

The children have worked hard this year and the second half of the summer term will bring some great opportunities, to enjoy some time with their peers and gain some new experiences. Our Redridge residential is only a couple of weeks away and we know how excited the children are. We also have the upcoming Warning Zone trip and a Year 6 Enterprise project, along with the end of year performance and leaver's celebrations (details to follow).

We would like to take this opportunity to congratulate the children again and to thank you as parents and carers for your continued support.

Mrs Lamble and Miss Riley
Year 6 Teachers
