

17th December 2018

Dear Parent/Carer

Redlands and Primary Stars Present
Attendance Incentive Awards 2018/2019

Here at Redlands we fully believe in encouraging the children to maintain high levels of attendance. To support the children in recognising the importance of attendance in school, we will be continuing our Golden Ticket incentives scheme for the 2018/2019 academic year.

This year, we are eager to reward as many children as we can for maintaining good attendance and so we will be making the last week of each term a double Golden Ticket week for all children who attend for the whole week. We are also very excited to say that, with the help of the Primary Stars initiative that Redlands are now a part of, we will be giving even more children the opportunity to be rewarded for their commitment to good attendance.

The ballots for the Autumn Term incentives will be drawn during the last week of term with not just one but 30 children being chosen; to ensure that the Primary Stars scheme can benefit children across the school, we will be running the Primary Stars Golden Ticket ballots for KS1 and KS2 separately (15 children from each). **The prize experience will take place during the spring term and all winning children will receive a letter confirming further details nearer to the time.**

We are pleased to inform you that there will be further opportunities for the children to win prizes for maintaining attendance as Golden Tickets continue throughout the Spring and Summer Terms and we look forward to sharing these with you as the year unfolds.

We are very excited to offer such great incentives to the children and hope that you will support us in encouraging the children to build their resilience and display the Redlands R's through high levels of attendance.

Kind Regards

Mrs Michelle Tobin
Headteacher
