

Guinea Pig Care

Dear Parent/Carer

It's getting to that time of year again! I am looking for holiday and weekend homes for our two school guinea pigs for the new school year (September onwards).

The guinea pigs will be cleaned out before being sent home, so will not need cleaning out over the weekend. For longer periods, such as school holidays, cleaning out the cage will be necessary on a weekly basis. All food and everything else needed while they are in your care will be provided by the school. Please be aware of the size of the cage and make appropriate arrangements to transport the guinea pigs beforehand.

There is no time limit to hand in your reply slip however, care of the guinea pigs will be allocated on a first come first serve basis and a booking rota will be kept by Mrs Marzeta if you wish to book in advance for specific dates. If you wish to withdraw from the rota or be added onto the rota at any time, please do not hesitate to contact us.

Mrs Marzeta will be able to remind you when you have booked to have them via email and reminder slip.

If you would like the opportunity to take them home over weekends (Friday to Monday) and/or during school holidays, please fill in the slip below and return it to the school office. If you have previously returned a slip for guinea pig care, please could you do so again as I am building the rota for the new school year.

Thank you for your continued support.
