

17<sup>th</sup> November 2017

Dear Parents/ Carers,

**ICT Olympiad**

On Monday 27<sup>th</sup> November, we will be holding an ICT event at Parkland Primary School. Each school will submit four children from KS2 to take part in the ICT Olympiad. The ICT Olympiad will involve a series of computing and technology based games and challenges, with each school competing against others within the Discovery School Academy Trust. The four children will work as a team to see which school is eventually crowned the winner!

The Olympiad will take place after school hours but we will happily arrange for a taxi to take a teacher and the four children to and from the event. The children will remain with the teacher from the end of school until they return back at Redlands **at approximately 6.00pm**, ready to be picked up from the school office.

We would very much like to hear from anyone who would like their children to be considered for selection into our Redlands ICT Olympiad Team. If you could kindly return the consent form by Wednesday 23<sup>rd</sup> November so that we can select children and inform them and their parents in good time.

Regards

Mr Rawlins  
Class Teacher
