Dear Parent/Carer,

It is with deep sadness that we temporarily say goodbye to Mr Page, as he moves into another role within the Discovery Schools Academy Trust next week.

Mr Page is employed by the DSAT Trust to work as a Lead Professional; he teaches two days per week at Redlands and supports the other Trust schools for the other three days each week. The Trust have made the decision that Mr Page's experience and knowledge as a Lead Professional make him the best person to temporarily support elsewhere within the Trust, where the need is greater. Mr Page has been seconded to support trainee teachers realise their potential and help them to enter in to such a rewarding career, through the Inspiring Leaders programme. We are sure you will join us in congratulating Mr Page on this amazing opportunity.

As Mr Page currently teaches alongside Miss Godfrey, our school has the capacity for him to allow him this secondment within the Trust. This will have minimal impact on the learning at Redlands, as Miss Godfrey remains the main teacher for their class. I do appreciate that there is little notice of the change; however, this decision was made by the Trust and was only confirmed to myself yesterday. You may still see Mr Page around school on occasion as he will still be using Redlands as a base to work from.

Mr Page has been a respected and valued member of the Redlands Team and he has contributed immensely in supporting the children of our school achieve so much. We cannot thank Mr Page enough for his dedication and commitment to the school and our wider community and hope that you will join us in wishing Mr Page well within his temporary role within the Trust. We look forward to seeing Mr Page, when he visits Redlands.

Should you have any queries please do not hesitate to contact us.

Kind Regards

Mrs Michelle Tobin
