

25th October 2018

Dear Parent/Carer,

Redlands Goes Paperless

Here at Redlands we believe that communication between the school and the families is an important part of ensuring that we can effectively work together in aiming for excellence.

In the past we have communicated with parents via pupil post, email, text and our weekly update, with letters being sent in paper form along with an email copy and a link on the Weekly Update. However, in our continued efforts to encourage the children to consider the Redlands R's, we have decided that in the interests of showing the children how they can **Respect** the environment; the school will become paperless effective from Monday 29th October.

Becoming paperless will mean that the school will no longer send paper copies of letters out to parents **unless we require a reply slip to be returned to school**. Letters will still be sent out via email and linked to the Weekly Update, along with being accessible via the school website.

With these changes we urge you to ensure that we have your correct email addresses and would urge you to contact the school should you not receive the Weekly Update this Friday; please check your junk folders before contacting the school.

Should you have any queries please do not hesitate to contact the school.

Thank you for your continued support.

Kind Regards

Mrs Michelle Tobin
Headteacher
