

23rd November 2018

Dear Parent/ Carers,

Year 4 Library Trip

The Year 4 team are very pleased with our children’s hard work this half term and would like to continue their learning journey through Redlands by giving them a great opportunity to explore their local Library.

The trip will be on **Wednesday 12th December at 1:30pm**, the children will discover the fantastic range of books and learning resources available at their Library. For children who are not already a member at the Library, this would be a fantastic opportunity for them to join should they wish to; we have therefore attached a membership form for any parent who would like to register their child as a member.

We recognise that on outings such as this, we are extremely fortunate to have a great amount of support from parents and carers with regards to volunteers, for which we are very grateful, however on this particular occasion we will not require further support as we already have the appropriate number of adults.

To ensure that your child is able to attend the visit to Sileby Library, please complete and return the attached permissions slip, along with your child’s library membership form if you wish them to join, by **Friday 7th December**.

Thank you for your continued support.

Mr. Bray and Mrs. Penniston
Year 4 Class Teachers
