

22nd November 2018

Dear Parent/Carers,

Year 1 Planetarium Visit at Redlands
Thursday 10th January 2019

As part of our “Moon Zoom” topic which we will be starting in January, we have arranged for an outreach team from the National Space Centre to bring an inflatable planetarium to school for the morning. During the visit, the children will learn about the sun, stars and stories based on space. The planetarium will be inflated in the school hall. We hope that it will excite and inspire the children and will be a fantastic way to start the new topic!

The visit has been booked for Thursday 10th January and we are asking you to make a contribution of £5 per child. **If your child is eligible for Pupil Premium, a discount has been applied and will be visible on your ParentPay payment item for this trip.** Please make payment online via ParentPay by **Wednesday 19th December 2018.**

Should insufficient payments be received this visit may be cancelled.

We would like to thank you for your continued support. As with all visits, we reserve the right to cancel if we don't receive enough contributions.

Kind Regards

Mrs Bancroft, Mr Hackett and Miss Hunt
Year 1 Class Teachers
