

Thursday 24<sup>th</sup> May 2018

Dear Parents/Carers,

**Year 6 Young Enterprise Project**

Year 6 are excited to inform you about our Redlands Primary School Young Enterprise project. Over the past week, the children have been partaking in a number of business activities. They have created business teams, completed market research, analysed the information gathered from their market research, developed a product or service, created posters and slogans for their product and pitched their product/service to a panel.

This project will ultimately lead to the Year 6 children selling their products and services to the children of Redlands Primary School after the half term break. The sales will take place on the main playground (close to the Year 6 block) on Tuesday 5<sup>th</sup> June, Wednesday 6<sup>th</sup> June, Thursday 7<sup>th</sup> June and Friday 8<sup>th</sup> June. The stalls will also be open to children during some of the morning break times and to the community, parents and children at the end of the school day on all four days.

We are asking that your child comes to school on the above days with some pocket money to spend on the Year 6 business products or services. There are a wide range of products or services to purchase, such as: ice poles, ice cream, cakes, a raffle, games to have a go at, hand-made flip books, a book sale and many more.

Many of the services or products are priced between 50p and £2.50.

We do hope our businesses are a huge success and earn a healthy profit; as the money raised from this project will go towards paying back our business 'loan', our end of year production and other ventures that are in store year 6 and the school.

Thank you very much for your continued support.

Yours faithfully,

Mrs Lamble and Miss Riley  
Year 6 Class Teachers
